2. Within ten (10) days of entering into any county where I reside on a full-time, part-time, or temporary basis for more than ten (10) days, I must register with the sheriff of the county.
3. I must also register in every Kansas county in which I am employed, carry on a vocation, or am a student.
4. If I have completed my registration with anyone other than the sheriff of the county where I reside, I must verify that the sheriff has received that registration within ten (10) days of entering the county.
5. If I change my address, I must give written notice to the sheriff's office where I last registered and to the Kansas Bureau of Investigation (KBI) within ten (10) days of the change.
6. I am required to report three times a year in person to the sheriff's office in the county where I reside or am otherwise located to include any Kansas county where I am required to register. After initial registration, I must report in the month of my birthday and every fourth and eighth month occurring after my birthday. 7. I am required to immediately renew any Kansas driver's license or state identification card issued to me, and I must annually renew such license or identification card on or before my birthday. The driver's license and identification card shall indicate that I am a registered offender.
8. I am required to register for ten (10) years if this is my first adult conviction for an offense included in the Act unless a longer term is specified or present term limits are amended by statute. This time period does not include any time

incarcerated in any jail or correctional facility or any time period of non-compliance with the requirements of the Act.
